Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 11 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Most dry with brighter spells best in the south.

Today:
The majority will remain dry, with only a few well scattered light showers appearing across northern areas. Brighter spells developing, most readily to the south of Lough Neagh. Maximum temperature 15 deg C (59 deg F).

Tonight:
Rather cloudy across northern districts with a few drizzly showers developing. South staying dry with occasional clear spells. Light west to northwest breezes. Minimum temperature 6 deg C (43 deg F).

Tuesday:
Mainly cloudy around the coasts with some patchy light rain or drizzle. Dry inland with best of the occasionally brighter spells expected across Fermanagh. Maximum temperature 15 deg C (59 deg F).

Outlook for Wednesday to Friday:
Quite settled with a lot of dry and occasionally bright weather around. However chance of rain for a time Friday morning.
